INTERNATIONAL SKEETER ASSOCIATION DUES NOTICE

The annual dues are \$25.00 for the 2019-2020 season, payable to:

International Skeeter Association
Steve Schalk, W6001 Brick Church RD, Fontana, WI 53125

December 1st, 2019 is the deadline for new items to be placed on the 2020 agenda.

January 10, 11, & 12, 2020 (Friday, Saturday, & Sunday) is the scheduled weekend for the 2020 Regatta.

The first 2020 agenda item from the Governing Committee is on the back of this sheet.

ISA agenda item number 1.

From the Governing Committee:

Modify the ISA By-Laws Article II, 2.1 changing the entry fee for the annual regatta from \$15 to \$40.

New Language:

A registration fee at the Annual Championship Regatta shall be paid by each entry in the amount of ~~fifteen dollars (\$15.00)~~ forty dollars (\$40.00) collected at each regatta by the host fleet and turned over to the Association treasurer.

The Governing Committee (President, Vice President and Secretary Treasurer) were asked at the Annual Meeting in January to review the on-going financial shortfall incurred by the Annual Regatta. The results of that review indicated that the current trophy schedule, combined with the expenses of Scorer and PRO have resulted in expenses that are only fractionally covered by the entry fee.

The proposed entry fee is far less than any modern sailing championship event fees, but will allow the expenses to be offset to a greater degree. There will still need to be an amount used from dues to cover trophy expense at the proposed entry fee level per the By-Laws.

**INTERNATIONAL SKEETER ASSOCIATION
2020 CHAMPIONSHIP REGATTA
NOTICE OF RACE**

Revised: 12/31/2019

All races will be sailed under the rules of the National Iceboat Authority and those of the International Skeeter Association (ISA).

7. Motion to adjourn

MINUTES OF THE 63RD ANNUAL INTERNATIONAL SKEETER ASSOCIATION MEETING

The 63rd annual meeting of the ISA was held at Lake City Minnesota on January 11th, 2019. The meeting was called to order by President John Dennis at 6:05 PM.

The role call was as follows:

| Fleet | Vote | Delegate |
|-------|------|----------------|
| I | 11 | Jason Thompson |
| M | 8 | Ken Whitehorse |
| MK | 1 | Mike Derusha |
| U | 2 | Jay Yaeso |
| V | 4 | Tom Hyslop |
| Z | 2 | Dan Bierman |

A motion was made by Paul Kreuger and seconded by Jay Yaeso to approve the minutes and treasury report as mailed out to the membership December 11th, 2018. Passed unanimously

Agenda

From Steve Schalk

Change Rules Section 1 Procedure paragraph 1.5 Second sentence.

Registration closes at 10:00 a.m. Friday for drawing starting positions. ~~At 10:00 a.m. the racing shall be canceled at that site for any classification of yachts A, B or C that does not have two (2) yachts registered.~~ Late entrants are to contact the International Race Committee for starting positions.

New sentence: Two yachts are required for an official race to be scored.

This change keeps the intent of two boats are needed to make a race without sending a boat home because only one showed up. This also comes in line with the trophy schedule passed a few years ago that awards the perpetual trophy without being engraved to a single entry and gives keeper trophies based on 1-14 boats, not 2-14 boats.

The agenda item was read by Steve Schalk. After minimal discussion a motion was made by Paul Krueger and seconded by Jay Yaeso to approve the changes. Passed unanimously

Old Business – none

The acting Secretary/Treasurer asked to move the election slate up next and do new business last.

Nominations:

The nominations from the committee were read. It was brought up by Jay Yaeso and Pet Heppert in the discussion of the slate that the nominated Vice President candidate has had a change of situation and is selling all of his iceboats. Nominations from the floor were opened. Jay Yaeso nominated Steve Orlebeke for the Vice President position in place of Keith Kennedy. A motion to close the nominations was made by Ken Whitehorse and seconded by John Dennis. Passed unanimously.

A motion to elect the new slate was made by Paul Krueger and Seconded by Maureen Bohleber.
The slate passed unanimously.

New Business

The acting Secretary/Treasurer raised a question concerning how the ISA and NIYA should address the fact that the two Regattas are scheduled to follow each other on the second and third week of January respectively, but verbiage was left in the rules and by-laws that suggest a week be put in-between the two prior to February 1st. There was much discussion on the reasons behind the week in-between rule. Tom Hyslop pointed out that getting time off work two weeks in a row was the major issue. The repair and tuning time was also noted. Ken Whitehorse felt that it was from the blue collar days of the organizations in which it was not easy for competitors to get time off from their employers. After much discussion a straw poll was taken which was unanimously approved recommending that the decision on how the “every effort to put a week between” clause is handled be up to the NIYA Race Committee.

Joe Norton thanked all the contributors to getting races set up, underway, and scored. The numerous helpers were acknowledged and the smooth flow to get races in was pointed out.

Jay Yaeso brought up a potential race manager candidate for future regattas. Steve Orlebeke was asked to contact Rich Reichelsdorfer to see if he would be interested and at what cost. There was 100% consensus that the race manager position previously approved should be filled.

Tom Hyslop did calculations to get an idea of how many boats are needed for break even on regatta entry at the current \$15, and noted that it was likely to be \$40 to cover the race management staff expenses and trophies at the current participation numbers. The Pewaukee Ice Yacht Club will submit an agenda item for next year that addresses a potential entry fee change to cover expenses.

Ken Whitehorse feels the senior trophy age limit should be increased, and wanted the deed of gift researched to see if it is possible. He may or may not submit an agenda item for next year.

A motion was made by Joe Norton and seconded by Don Sanford to adjourn. The motion was gratefully passed by the entire membership present after 7 PM.

Respectfully submitted

7. Adjournment

2019 Northwestern Ice Yachting Association Annual Meeting Minutes

The annual meeting of the NIYA was called to order by Commodore Mike Peters at 6:04 pm January 18th, 2019 at the AmericInn conference room in Lake City Minnesota.

The acting secretary called the roll with the following present:

| | |
|----------------------|----------------|
| Green Lake | Dan Bierman |
| Fond Du Lac | Mike Kroll |
| Menekaunee | Mike Derusha |
| Minnesota Iceboaters | Pat Heppert |
| Skeeter Iceboat Club | Jason Thompson |
| Windjammers | Jay Yaeso |
| Four Lakes | Don Anderson |
| WSSA | Joe Terry |
| West Michigan | Eric Sawyer |

The acting secretary read the 2016 minutes and financial report. A motion was made by Paul Krueger, seconded by Jay Yaeso to accept the documents as read. The motion passed unanimously.

Agenda

1. WSSA Proposed changes to the NIYA Bylaws

Changes are underlined.

Article IX-Annual Regatta Section 4.

Class D** 50 to 125 sq.ft.

Reason - This allows stern steerers that are using skeeter sails to fit within a class. WSSA has made this change to the WSSA by-laws due to Byron Tetzlaff bringing to a WSSA regatta a small stern steerer with an old skeeter sail that did not fit within a defined class.

Section 7. A yacht must register in its class and may race only within its class, except for the Championship race.

Classes A, B, C and D may race at the same time at the option of the Race Committee. When classes A, B, C and D race together each yacht shall compete for its own class prize and for the overall Stern-Steerer Trophy provided by the WSSA. When competing for the overall Stern-Steerer Trophy the registered class sizes are to be ignored though the minimum sail area is 50 sq. ft.

Reason -This more clearly defines that each yacht must register and race in its class for the class trophies. It also allows any stern steerers above the minimum size to race for the overall trophy, regardless of the class in which they are registered and the size sail they are using.

2. Acceptance of a Jeff Davis Trophy for one of the first three races in NIYA Class C, donated by the Davis family.

The acting secretary suggested to the author of the agenda item for the WSSA, Andy Gratton, that it might be appropriate to break the first item into two separate items rather than lump them together. Andy agreed and the first item, regarding lowering the minimum sail area in class D from 76 to 50 was discussed at some length. Jay Yaeso wanted clarification that only class D in the NIYA was affected. The fact that the WSSA had already passed the change for their regatta was brought up by Andy Gratton. A motion was made by Joe Norton, seconded by Joe Terry to approve the change. The motion passed unanimously.

The second half of the agenda item – allowing boats to sail for the overall sternsteerer prizes while changing sail areas and classes was discussed at length. Peter McCormick felt that changing classes during the regatta changed the whole dynamic of who was racing who and was not a good idea. He also noted that the areas allowed would permit changing for safety purposes while remaining within one class. The acting secretary noted that if two boats are sailing in a class, one dropping out by changing to a different class would make the other boat be in a one boat race and no longer count. Ken Whitehorse moved to close the discussion, seconded by Joe Norton. The motion for the change was made by Joe Terry, seconded by Andy Gratton. The motion was defeated unanimously.

Agenda item 2 was acceptance of the Jeff Davis Trophy. John Davis presented the proposal on behalf of the Davis family to donate a trophy in class C for a race in the regatta in memory of Jeff. He noted that his dad sailed in the NIYA from 1919 to 1924, and that the family has deep ties to the association. A motion to accept the generous donation was made by Joe Terry, seconded by Eric Sawyer. The motion passed unanimously.

Old Business – none

New Business

The financial status of the NIYA and the financial ability of the organization to cover the costs of the annual regatta were discussed. The secretary noted the total on hand, and the actual income potential per year of about 16 clubs at only \$20 per club.

The secretary will send out a financial breakdown showing entry fee levels vs. actual expenses incurred at the annual regatta. The maintenance of approximately the current treasury balance was to be the goal of any proposals for fee or dues increases.

Jay Yaeso brought up discussion of the purchase of a UTV or enclosed ATV for scoring purposes. Don Anderson noted that UTVs are too heavy for use on Madison Lakes.

The hiring of a race manager was brought up by Jay Yaeso. He has a candidate under consideration. The cost was unknown, but the candidate has been contacted. The hiring of a race manager was approved at a previous meeting, but no candidate has been found in the several years since that meeting and no financial amount was allocated. Jay will continue to work on getting cost information.

Jay Yaeso brought up the fact that the NIYA and ISA need to address the obsolete wording putting a week between a completed and postponed regatta. The secretary was asked to put together multiple proposals on how to revise the language for placement on the next annual meeting agenda.

There was discussion of the slate. A motion was made by Joe Norton, seconded by Paul Krueger to close the nominations with the slate as presented. The motion passed unanimously.

A motion was made by Paul Krueger and seconded by Mike Kroll to elect the slate. The motion passed unanimously.

Motion to adjourn

A motion to adjourn was made by Paul Krueger, seconded by Mike Kroll. The motion passed unanimously.
